

Sleeptime

Sleeptime Beds are based in West Yorkshire and specialise in manufacturing Divan [beds](#) and Mattresses at fantastic value for money.

Using state of the art bed manufacturing technology, Sleeptime are able to create a wide range of Divan Beds and Mattresses containing Open Coil spring systems, Pocket Spring systems and High Density Foam. Sleeptime's divan beds and mattresses come in all sizes, from 2FT 6" Small Single all the way up to 6FT Super Kingsize.

One divan bed from Sleeptime Beds is the Chester. The Chester features a medium 13.5 gauge open coil spring system which provides resilience and comfort and is rod edged to help keep the mattress in shape for many years to come. The Chester also has many layers of fillings and is covered in an attractive stitchbond fabric cover. The divan base of the Chester comes in many different storage options, such as 2 Drawer, 2 Drawer Continental, 4 Drawer and 4 Drawer Continental and there is also the option of having a sprung edge base for added comfort.

Another divan bed from Sleeptime is the Memory Non Turn. The Memory Non Turn features 50mm of luxury Visco Elastic Memory Foam, which moulds to the contours of your body whilst you sleep. The mattress also has a resilient 13.5 medium gauge open coil spring system for added comfort and resilience. The base of the memory non turn comes in many different storage options and is available as either a platform top or sprung edge.

The Sandringham mattress from Sleeptime is a high specification mattress at a fantastic price. It features 1000 individually pocketed springs which provide you and your partner the support you both need throughout the night without disturbing each other. The Sandringham also has multiple layers of high quality fillings for your added comfort and vents to increase air flow throughout the mattress, allowing it to breathe.

Sleeptime's extensive product range can be found on Bedstar, where we keep many Sleeptime products in stock for immediate delivery and at our renowned unbeatable prices.
